# 1100 Litre Flat Lidded Container

## Material

- **Polymer components:**
  - Injection moulded from specially designed HDPE
  - Resistant to decay, frost, heat and chemicals
  - Special UV-stabilisers provide excellent ageing characteristics
- **Corrosion resistant steel components:**
  - Wheel forks, wheel bearings, swivel brackets, lid retention springs and screws from galvanised steel. No maintenance necessary.
- **Noise reduction:**
  - Wheel assemblies with solid rubber tyres
- **Long service life:**
  - High quality materials
  - Excellent manufacturing processes
  - Even if exposed to high mechanical stress levels
- **Recycling:**
  - All container parts are recyclable

## Dimensions - Weights - Standards

- Nominal volume: 1100 litres
- Net weight: ca. 65 kg
- Max. load: 440 kg
- Permitted total weight: 510 kg

all dimensions according to EN 840

## Design

### ADVANTAGES TO THE USER:

- Easy handling through the use of ergonomic handles
- Versatile, with a comprehensive accessories range

### ADVANTAGES TO THE COLLECTOR:

- Easy grip handles on all sides
- Employment of handles at the rear of the container
- Safe, easy handling, even with heavy loads
- Wide lifting trunnions for improved safety during lifting, even with awkward loads
- Various wheel assembly configurations for different applications
- Improved water drainage as a result of rounded lids
- Water drainage plug as standard
- Compatible with identification and weighing systems

## Colours

- Standard colours: grey, green, blue, yellow, brown, red
- Special colours are available on request
- All additives are cadmium free and environmentally friendly

## Imprints and markings

### MARKING:

- Manufacturer, year of manufacture, material
- Nominal volume, max. permitted total weight
- EN 840, RAL markings
- Individual markings with imprints, screen printing, hot-foil printing or adhesive labels

## Accessories

- For accessories and special design variations such as lid apertures, locks, towing brackets and fork lift sleeves, please refer to the separate accessories sheet for 4-wheeled containers
